Kelowna is surrounded by bountiful orchards and award winning, world class wineries. Wine and Agri-tourism are the fastest growing tourism sectors in Canada according to the CTC. This program combines Practical ESL with agricultural and wine tours. This course appeals to executive, office workers, corporate groups, seniors and anyone interested in wine and spirits. The best time to enroll is during the world famous Okanagan Wine Festivals in May and October. [www.thewinefestivals.com](http://www.thewinefestivals.com)
