

## **English Only Policy**

International Gateway Kelowna is a 100% English immersion school and students MUST speak English on IGK property at all times. The only exception is inside the counselling office when speaking with student advisors.

If students speak a language other than English on school property they will receive a “yellow card”:

- 1st card indicates that students will do extra homework assignments.
- 2nd card indicates that students must meet with their student advisor.
- 3rd card indicates that the student will have a meeting with the Academic Director.
- 4th card may result in the suspension from IGK.
